

Dear Educational Leader:

The Georgia School Superintendents Association (GSSA), the Georgia Department of Education and the Georgia Power Foundation are proud to sponsor a new cohort of the Superintendent Professional Development Program. This exciting, innovative, and challenging leadership program is designed for educators aspiring to serve as school superintendents. Individuals recently appointed as superintendents also find this an invaluable professional development opportunity.

Georgia educators with three or more years' experience as a school or system leader are encouraged to apply for this, the sixteenth cohort of the two-year Superintendent Professional Development Program which will begin in August 2025. The L-6/PL-6 is the preferred minimum certification. An on-line brochure describes the program in more detail.

The Georgia School Superintendents Association and program participants share the cost of the program. Applicants pay a \$500 application fee, which helps to defray a portion of the cost of assessment activities. This fee is refunded if the applicant is not selected for participation. Annual tuition is \$2,500, payable in two installments of \$1,250, due each September and January of the program's duration.

Persons interested in applying will find a confidential application from the Georgia School Superintendents Association by visiting our website at www.gssaweb.org. The application includes a request for recommendations by someone thoroughly familiar with the applicant, both personally and professionally. Additionally, the endorsement of the applicant's system superintendent is required. The deadline for submission of applications is Friday, July 18, 2025.

A screening committee selected by GSSA will oversee the selection process, which may also include interviews with applicants. Individuals chosen for participation will be notified by July 25, 2025. Please refer to the contact information below if you have further questions about the program.

Best wishes in your application process!

Sincerely,

Keith Porter
GSSA Professional Development Director
